

Our Vision is to take the Good News of Jesus to the streets of America through unique musical outreaches, assisting local churches and believers by reaching into places where this message is usually not welcome.

Like the Lord, we have come, not to entertain the righteous, but to call sinners to repentance.

We seek to minister to those who are struggling with addiction, homelessness, and poverty.

We use the universal language of music as the means to share the message.

We encourage and train Christians, equipping them to boldly share their faith and exhibit the love of Jesus Christ.

Support the Campbells

We are supported through the generous gifts of those Christians who also have a similar heart for America as we do.
